Logo Variations & Usage

- The Obenan logo is available in different scales: 4x, 2x, and 1x.
- The primary logo incorporates a fluid gradient in various shapes.
- Logo icons are designed for different applications, including circular, square, and outlined versions.

Color Pairing Techniques

- Various color pairings have been tested for brand consistency.
- **Preferred combinations include:**
 - Green & Cream
 - Blue & Sky Blue
 - Red & Beige
 - Purple & Pink

Instructions for Use:

1. **Use these colors consistently** across all branding materials, website, marketing, and product design.
 2. **Use neutral colors** (black, white, and greys) for backgrounds, text, and UI elements.
 3. **Typography and logo must follow the designated styles** to ensure brand consistency.
 4. **Always follow the recommended color pairing techniques** to maintain visual harmony.
